Open Discussion: Church Street as you head North from Rt. 38 is desperately in need of trees. The few that are large and remaining are diseased oaks. Steve will contact John Gibson to see if this area is in the schedule for tree planting.

At Memorial Field there are shredded flags as you enter the area. Steve said there is to be a Memorial Day ceremony and 4 placards would be presented. It was suggested that Carollos use of cones in the front was a good idea. It made

dining there much more inviting. Steve suggested the use of cones for restaurants on Friday and Saturday evenings. Verizon has not gone back to council. When they do, samples will be included. Steve and the committee agreed that CHOP is doing a really nice job. It was reported that Studio Ten Salon at 5 East Main Street has trash and/or boxes of trash in its front entrance at all times. The apartments above the stores on Main Street use the public trash cans for personal use which is creating a problem. Patty will let the enforcement officials know of these problems. Melissa questioned the operation of the meters. Pat asked about the use of heaters at the restaurants. Sue will be checking into the safety.

Historic Preservation: Annette said they met yesterday and continue to focus on demolition and construction. They are trying to speed things along and are working with council.

Council: Sue said Percheron Park was presented, and they approved the financing with no public feedback. One resident complained about the cost. They are trying to move the flashing signage with the unfriendly messaging. On Memorial Day there will be a 10am service at Memorial Field. They will make sure the flags are refreshed. Chase Bank will put in brick sidewalks, and their sign will be backlit. Pat asked about the closing of the road to the Mews saying it reduces the aesthetics. Patty said the closing of the one thoroughfare is temporary due to safety during construction. The additional access will reopen after construction.

Goals and Actions: Karen, Gina, and Steve will finalize this in June.

Public Comment: Karen and Gina attended Arbor Day, and said it was a very nice ceremony. Tom Merchel really appreciated our committee recognizing the township workers.
