Requirement for applications for permits for Substantial Improvement  
and repair of Substantial Damage

Applications for development permits to work on existing buildings that are located in a Special Flood Hazard Area must include the following:

- Current photographs of the exterior (front, rear, and sides)
- If your building has been damaged, include photographs of the interior and exterior; provide pre-damage photos of the exterior if available
- Detailed description of the proposed improvement or repairs
- Cost estimate of the proposed improvement or the cost estimate to repair the damaged building to its before-damage condition
- Elevation certificate or elevation survey
- You may submit a market value appraisal prepared by a licensed professional appraiser or we will use the tax assessment value of the building
- Owner's affidavit (signed, dated, and notarized)
- Contractor's affidavit (signed, dated, and notarized)

Sincerely,

Joseph LaRocca, CFM  
Construction Official
