Floodplain Development Permit Application

Section I: General Information and Provisions

Applicant to read, complete and sign

- No work may commence in a floodplain until a floodplain development permit is issued.
- The permit may be revoked if any false statements are made in this application.
- If revoked, all work must cease until the development permit is re-issued.
- Development shall not be used or occupied until a floodplain certificate of compliance is issued.
- The permit will expire if no work is commenced within six (6) months of issuance.
- The development permit will not be issued until any other necessary local, state or federal permits/approvals have been obtained.
- The applicant gives consent to the local Floodplain Manager or representative to make reasonable inspections to verify compliance.
