NO

new Rescue Boat for Fire District No. 1?

Explanatory Statement

The Board of Fire Commissioners, Moorestown Township Fire District No. 1, has decided that there is a need for a Rescue Boat in 2024. With an increase in water sports, such as kayaking and paddle boarding, on Strawbridge Lake the Fire District has taken the opinion that a small Rescue Boat is needed in the event of a water rescue emergency.

Money for the Rescue Boat will be taken out of the Fire District's restricted funds allocated for capital purchases. No money will need to be borrowed to purchase the Rescue Boat; Moorestown Fire District No. 1 will remain without debt.

A "yes" vote will authorize the Board of Commissioners of the fire district to place the above amounts in the 2024 Fire District Budget to purchase the vehicles as listed.

If the referendum is approved (a "yes" vote) by in excess of 50 percent of the voters casting a vote, the referendum will be deemed adopted.

A "no" vote means that Restricted Funds will not be utilized, and the Rescue Boat will not be placed in the 2024 budget.
