Residential Trash Collection: Trash should be curbside by 7 AM the day of scheduled collection. The very earliest trash may be placed at the curb is dusk (or sunset) the day before. Maximum weight is 60 pounds per container. Maximum capacity for trash cans/containers is 32 gallons.

Bulk Trash such as mattresses (must be wrapped in plastic), wood, bed frames, furniture, rugs (tied and cut in 3' lengths) and similar items should be placed at the curb for collection on your regular trash day. Residents should be reasonable in the amount of bulk items they place at the curb on any one collection day. These items may also be brought to the Public Works Center, **SATURDAY only**, between 8 AM and Noon.

Appliances, Scrap Metal and Tires. Residents must call 856-235-3520 Opt #2 to schedule a pick up. Material must be curbside by 7 AM on your scheduled pick up day. These items may also be brought to the Public Works Center, **SATURDAY only**, between 8 AM and Noon. (A maximum of two tires per household will be picked up or will be accepted on Saturday.)

BRUSH COLLECTION:

DPW will collect brush that is 12" in diameter or less and cut in 3' lengths and neatly placed at the curb (not in the street). Your Brush must be out by 7:00 am on the Monday of your designated week and will be collected some time during that week. **THERE IS NO BRUSH COLLECTION DURING THE FALL LEAF SEASON.**

Pursuant to State Storm water Management Regulations, debris may NOT be placed in the roadway or within 10 feet of storm drain outlets.

Brush collection is as follows:

If your trash is picked up on Monday (District 1) brush collection begins the First Monday of the month

If your trash is picked up on Tuesday (District 2) brush collection begins the Second Monday of the month

If your trash is picked up on Wednesday (District 3) brush collection begins the Third Monday of the month

If your trash is picked up on Thursday (District 4) brush collection begins the Fourth Monday of the month

Grass Clippings: should be placed in trash cans or plastic bags and placed at the curb for pick up with your regular trash. No paper contractor bags Please. Keep in mind the weight limit of 60 Lbs max. You can also bring your grass clippings to the Public Works yard on **Saturdays only** between 8 and noon and place them into the DPW Trash Truck on location.

Creek Road Brush and Leaves:

Residents and their Landscapers are permitted to take their brush and leaves to our Creek Road Facility. The Creek Road Facility is open Monday thru Friday from 10 AM to 2 PM and every other Saturday from noon to 4 PM. You must get a permit from Public Works during the week days to gain access to the Creek Road Facility.

Construction Debris: Small amounts of residential construction debris from minor projects will be collected. Generally these projects produce less than 1 cubic yard (3' x 3' x 3') of waste. Construction debris from larger projects will not be collected and is the resident's and/or contractor's responsibility for proper removal and disposal. Residents may bring up to 1 cubic yard (3' x 3' x 3") of construction debris to the Public Works facility on **Saturdays only** from 8 to noon. **Concrete, concrete blocks or brick cannot be collected Curbside - residents should take them to a private recycling center.**

Televisions, Electronics: Public works is now accepting these items at our Yard during normal business hours.

Hazardous Waste: Public Works cannot accept these items. These materials may be disposed of through the Burlington County Resource Recovery Complex. Please call them for details. The Hazardous Waste # is 609-499-5317.
